

READY? SET... PLAY!

Crestwood Park is a valued community amenity. With support from both donors and local businesses, we have recently redeveloped the playground and green space as Phases 1 & 2 and are now preparing to undertake Phase 3. This final phase includes replacing our beloved but deteriorating outdoor rink, resurfacing our once-popular tennis courts that are severely cracked and uneven, and adding new pickleball courts and two new Plaza areas for social gathering. Our Park Redevelopment will be hugely impactful for many years to come.

Because of the support shown to-date, we intend to begin construction this summer, August 2021, starting with the Outdoor Rink and completing the rest within 18 months. We need your help now to complete the work and see this through.

To that end, we are launching our **“Ready? Set... PLAY!”** Fundraising Campaign. Our goal is to raise a final \$150,000 to complete the redevelopment and give our community great new facilities that will be enjoyed for generations.

We are elated to announce that Volvo of Edmonton has offered a very substantial kickoff to our campaign; Volvo of Edmonton

is providing \$25,000 on a matching basis. Like us, Volvo of Edmonton believes in the generosity of our community and is calling all our members to action. Please give today so your donation dollars are doubled.

We can do this Crestwood, and the time is now!

Donations can be made online at www.canadahelps.org (search Crestwood Community League Building Society), or by cheques (payable to Crestwood Community League Building Society) mailed to 14325 96 Ave NW, Edmonton, AB T5N 0C5. Monthly contributions are also possible with either method.

For more information please visit cclphase3.com or contact Andrea Hestvik: email cprc@cclboard.ca or mobile 587-597-0454.
